Trade-in

When?

Creating a purchase or trade-in offer taking the desired profit margin into account.

Input

Vehicle data, margin setting and mandatory vehicle registration certificate upload (image or PDF, with a size limit).

Result

- recommended purchase or trade-in price
- optionally (Gold) adding to stock from the valuation
- assisted data entry based on the vehicle registration certificate (see Stock management and Vehicle data sheet)

Support: Telegram and Viber, every day of the week, 24 hours a day.
